Proof Prints and Reprints from Digital Files

Files should be organized per our guidelines below. For images that require custom color/density corrections, or which are not properly organized, Custom Proof Print pricing (above) applies.

Guidelines for Preparing Your Files for Printing

- files must be easy to locate and labeled correctly
- files should be grouped in folders according to size, paper surface, and quantity (see example below)
- all files are printed; selected images fall under the Custom Proof Print prices (above)
- sizing is included in prices
