

## SHOEBOX SCANNING

One-to-one scanning of your precious photographic prints, from wallet sized to 8.5" x 11". Ideal for reprinting, sharing on the web, or archiving - especially if you no longer have the negatives!

Take your choice of scan resolutions - 300dpi (default resolution), 600dpi, or 1200dpi.

Regular and Enhanced scanning features are available for this scanning service at NO additional cost! Enhanced features include auto adjustments to brightness, contrast and saturation, red-eye removal, and restoring faded colors.
